

News Release for City of Yucaipa

For Immediate Release

Contact: Bill Hemsley, Director of Public Works (909) 797-2489, Ext. 253

The City of Yucaipa has contracted with Redflex Traffic Systems to provide an Automated Photo Red Light Enforcement System at the intersection of Yucaipa Blvd and Oak Glen Road. The system installation has now been completed and the system activation is set for March 1, 2009. During the first 30-days of operation violators will be sent warning letters/notices stating the date, time and type of violation that occurred. After the 30-day period any and all violations will be issued citations with fines.
