

**CITY OF YUCAIPA  
OVERSIZED VEHICLE PARKING PERMIT**

An oversized vehicle is defined as any commercial vehicle consisting of a truck tractor, motor truck, trailer, semi-trailer, or combination thereof, exceeding a manufacturer's G.V.W. of 10,000 pounds.

Ordinance No. 162 makes several provisions with which each owner or operator must comply:

A. Except as provided for in Section B below:

- (1) It is unlawful for any person to park, or allow to be parked, any commercial vehicle upon any street, highway, alley, public right-of-way, or residential property within the City.
- (2) It is unlawful for the owner or operator of any commercial vehicle to allow such vehicle to remain standing upon any street, highway, alley, public right-of-way, or residential property within the City.
- (3) It is unlawful for any person to park, or allow to be parked, any trailer which has been detached from a truck tractor or truck, or which is not in itself capable of being driven, upon any street, highway, alley, or public right-of-way within the City.
- (4) It is unlawful for any person to park or leave standing within one hundred (100) feet of any street intersection, or within one hundred (100) feet of any official traffic control device, any vehicle which is ten (10) feet or more in height, including the height of any load thereon.

B. Commercial vehicles may be parked on public streets, highways, alleys, public rights-of-way, or residential property as follows:

- (1) On designated truck routes for a period of time not exceeding two (2) consecutive hours.
- (2) While making pickups or deliveries of goods, wares or merchandise from or to any property adjacent to or abutting upon streets or highways which are not designated truck routes.
- (3) When such vehicle is parked in connection with, and in aid of, the ongoing performance of a service to, or on, a property in the block in which such vehicle is parked or left standing.
- (4) When the vehicle is parked in accordance with a valid Oversized Vehicle Parking Permit.

C. The restrictions listed above **do not** apply anywhere in the Community Industrial (IC) District.

- D. Any owner or operator of a commercial vehicle may apply to the City for a permit for exemption from the restrictions and prohibitions of Subsections A(1), A(2), and A(3) above.
- E. Permits shall expire one (1) year after the date of issuance. Applications for renewal shall be submitted to the City at least ten (10) days prior to the expiration date of the then-current permit.
- F. Permits, if issued to nonresident visitors, shall expire three (3) days after the date of issuance. Not more than three (3) nonresident visitor permits may be issued to any one (1) person in any twelve-month period of time.
- G. Permits shall be nontransferable and shall apply only to the property or location described in the application, and the rights granted therein shall be limited to the term of the permit.
- H. Each permit issued pursuant to Section D above shall be subject to the following conditions:
- (1) No vehicle shall be parked or left standing on the paved portion of any street, highway, or alley within thirty (30) feet of any driveway opening (other than the driver's own driveway), within fifty (50) feet of any part of any other commercial vehicle, and unless the paved portion of the half-width roadway is at least twenty-two (22) feet wide.
  - (2) No vehicle shall be parked or left standing on any street, highway, alley, public right-of-way, or vacant property within one-hundred fifty (150) feet of any dwelling except with the express written consent of the owner of the parcel on which the vehicle is left parked or standing, and from the owners or residents of the adjacent parcels.
  - (3) No vehicle shall be parked or left standing on that portion of any roadway which abuts a parcel upon which there exists a public facility, including, but not limited to, parks, schools and civic buildings.
  - (4) The operator of the vehicle shall not idle the vehicle's engine for longer than thirty (30) minutes, nor race the vehicle's engine, nor blow its air horns.
  - (5) No vehicle shall be loaded or unloaded, or have cargo transferred to or from the vehicle, except during the first 24 hours during which a vehicle is mechanically disabled.
  - (6) No refrigeration unit shall be operated between the hours of 8:00 p.m. and 8:00 a.m.
  - (7) One (1) truck tractor with a trailer or semi-trailer may be parked on the owner or operator's residential lot if such lot is at least 20,000 sq. ft. in size. One additional truck tractor with a trailer or semi-trailer, up to a maximum of three (3) such vehicles, may be parked on the owner or operator's residential lot for each additional 20,000 sq. ft., which said lot contains. No vehicle shall be parked or left standing pursuant to this subsection unless all parts of the vehicle are at least five (5) feet from each

interior property line and at least fifteen (15) feet from all public rights-of-way and easements, and unless the City has obtained the express written consent of the current residents of all adjacent parcels.

- (8) Truck tractors may be parked in the driveway of the owner or operator's residential lot of any size, subject to the following conditions:
- (a) The truck tractor must be completely clear of all public streets, sidewalks and easements, except that this condition may be waived or modified by the City on original review, or on appeal by an applicant from a decision by the City, that a permit may not be issued without this condition.
  - (b) No mechanical work, nor any maintenance work which causes an excessive amount of noise, may be performed before 8:00 a.m. or after 8:00 p.m.
  - (c) The City has received no objections from the current residents of all adjacent parcels.

**APPLICATION SUBMITTAL CHECKLIST:**

- (1) Fully completed Oversized Vehicle Parking Permit application form.
- (2) State truck terminal registration (if applicable).
- (3) Map or drawing indicating exact parking location.
