The S.T.A.R.S. Before and After School Program is an academic enrichment program designed to support YCJUSD students' educational needs. Ordinarily, this program operates on school campus, each school day during the academic year. To meet the educational needs during the COVID-19 pandemic, the S.T.A.R.S. Extended Services is designed to provide academic support, such as tutoring, STEAM activities, and technology (including wi-fi access), unavailable in a school-based setting, at the local community center (participants must bring their own lunch and snacks).

The S.T.A.R.S. Before and After School Program is not in lieu of attending an academic institution and is not supervised by certificated teachers. All rates must be pre-paid prior to week children attend. Registration will close on Mondays at 9:00PM for each week. **There are no exceptions.** Scholarships are available upon request and approval. *30% non-resident fee applies.

Special provisions made, mandated by the San Bernardino County Health Department including face coverings, 6 ft. social distance, a continuous cleaning schedule, and a 1:10 staff ratio.
