

CITY OF YUCAIPA

SPECIAL EVENT PERMIT

WELCOME TO THE CITY OF YUCAIPA

Thank you for your interest in hosting a Special Event in the City of Yucaipa. The Community Services Department created this application to help you host a successful and exciting event here in Yucaipa. Please review and complete the following application in accordance with the provided information. A special event in the City of Yucaipa is defined as a “Carnival”, “Community Celebration”, or “Outdoor Festival” which includes the use of amplified sound and/or estimated attendance equal to or exceeding 300 people on City or private property. Except as otherwise provided by state law, no person or entity shall operate, maintain, conduct, advertise, or provide admission for any temporary special event within the City of Yucaipa without possessing a permit for each such temporary special event (Ord. No. 118 Sec. 2).

PROCEDURES

A complete permit application may be filed as early as **one (1) year** before the event, but it **must be received no later than three (3) months** before the actual event date. Any organized activity involving the use of, or having impact upon, public property, facilities, public parks, sidewalks or street areas requires a permit. Applicants requesting a waiver of fees or services must submit their application a **minimum of six (6) months** in advance.

The permit application process begins when you submit a complete Special Event Permit application. Keep in mind that acceptance of your application should in no way be construed as final approval or confirmation of your request. Upon receipt of your application, the Special Events Supervisor will help guide you through the permit process. Copies of the application are forwarded and reviewed by all affected departments and/or agencies. During the review process, you will be notified if your event requires any additional information, permits, licenses or certificates. During our initial application screening process, you will be allowed time to provide us with all pending documents. We must receive these items before issuing a Special Event Permit (i.e., certificates of insurance, secondary permits, etc.). Delays in providing these items often delay our ability to finish our review and approve your application in a timely manner. Special Event Permits can be approved administratively by City management under specific limited criteria. Events that exceed those criteria will require the approval of City Council:

City Management/Administrative Approval

- Estimated attendance 300-999 persons
- Amplified Sound

City Council Approval

- Estimated attendance 1000+ persons
- Alcohol Service (excluding Community Center Banquet Room)
- Street Closure – traffic management
- Fee Waiver/Co-Sponsorship/In-Kind (Community Activity Grant Application required)
