DEMOLITION Permit Application and Submittal Requirements?

Demolition requires an application and a demolition example of a site plan. Site plans done on 11x17 sheets of white paper and legible. Line paper and pencil not acceptable.

Please include on site plan:

1. Show erosion, debris and dust control (silt fence, etc.)
2. Site plan to include foundation
3. All utility disconnects to be verified by inspector **Prior to Demolition.**

- (1) - Site plan – planning.
 - (2) -Site plan- Building and Safety
 - (1) – Site plan - Engineering
 - (1) -Site plan – Assessors
- Total (5) site plans

Inspector will field verify utility disconnect prior to demolition after a permit has been issued.
