### **California Stormwater Discharge Compliance**

California Senate Bill 205 requires regulated industries to demonstrate enrollment with the NPDES permit program. When applying for an initial business license or business license renewal, a business operation that is a regulated industry must demonstrate enrollment with the NPDES permit program by providing specified information, under penalty of perjury, on the application, including, among other things, the Standard Industrial Classification Code for the business. The bill would apply to all applications for initial business licenses and business license renewals submitted on and after January 1, 2020.

---

### **California ADA Compliance**

Under federal and state law, compliance with disability access laws is a serious and significant responsibility that applies to all California building owners and tenants with buildings open to the public". You may obtain information about your legal obligations and how to comply with disability access laws at the following agencies:

The Division of the State Architect at  
[www.dgs.ca.gov/dsa](http://www.dgs.ca.gov/dsa)

The Department of Rehabilitation at  
[www.dor.ca.gov](http://www.dor.ca.gov)

The California Commission on Disability Access at [www.cdda.ca.gov](http://www.cdda.ca.gov)

## New Regulations Effective January 1, 2020

Dear Business Owner:

Subject: **Senate Bill No. 205 – Business Licenses & State Industrial Permit Compliance**

The City of Yucaipa is alerting all businesses in our jurisdiction of the recently adopted California Senate Bill No. 205, which went into effect on January 1, 2020. This bill requires the industrial users that are regulated by the State Water Resources Control Board (SWRCB) General Industrial NPDES Permit Order No. CAS000001 (State Industrial Permit), to provide the City with the primary SIC Code of the business, and the WDID, NEC, or NONA number as proof of coverage under the State Industrial Permit when applying for a City business tax certificate renewal.

The City will be requiring that all businesses provide the primary SIC Code, and all businesses that are subject to the State Industrial Permit must provide proof of coverage prior to the issuance of a new business license or business license renewal. To assist you in determining if your business is subject to the State Industrial Permit, we have attached a list of the Standard Industrial Codes that the SWRCB uses to identify facilities subject to the State Industrial Permit. Further information including how to file for coverage under the State Industrial Permit can be obtained on the SWRCB website at [http://www.waterboards.ca.gov/water\\_issues/programs/stormwater/industrial.shtml](http://www.waterboards.ca.gov/water_issues/programs/stormwater/industrial.shtml).

Please contact me at (909) 797-2489 Ext. 255 or [kkunkel@Yucaipa.org](mailto:kkunkel@Yucaipa.org), if you have any questions regarding this issue.

Sincerely,

*Katrina Kunkel*  
Stormwater Program Manager

Attachments: 1. Self-Certification Form

## STATE BILL No. 205 BUSINESS LICENSES: STORMWATER DISCHARGE COMPLIANCE

Facilities, which industrial activities are described by one of the following criteria, are required to obtain coverage under the National Pollutant Discharge Elimination System (NPDES), General Permit for Storm Water Discharges Associated with Industrial Activities, Order No. CAS000001. For more information about business applicability, call the City of Camarillo's Stormwater Program Manager at 805-383-5659. More information on how to apply and complete NPDES Permit application is available at [https://www.waterboards.ca.gov/water\\_issues/programs/stormwater/industrial.html](https://www.waterboards.ca.gov/water_issues/programs/stormwater/industrial.html)

- 1. Facilities Subject To Storm Water Effluent Limitations Guidelines, New Source Performance Standards, or Toxic Pollutant Effluent Standards Found in 40 Code of Federal Regulations, Chapter I, Subchapter N: Cement Manufacturing (40 C.F.R. Part 411); Feedlots (40 C.F.R. Part 412); Fertilizer Manufacturing (40 C.F.R. Part 418); Petroleum Refining (40 C.F.R. Part 419), Phosphate Manufacturing (40 C.F.R. Part 422), Steam Electric (40 C.F.R. Part 423), Coal Mining (40 C.F.R. Part 434), Mineral Mining and Processing (40 C.F.R. Part 436), Ore Mining and Dressing (40 C.F.R. Part 440), Asphalt Emulsion (40 C.F.R. Part 443), Landfills (40 C.F.R. Part 445), and Airport Deicing (40 C.F.R. Part 449).
- 2. Manufacturing Facilities: Facilities with Standard Industrial Classifications (SICs) 20XX through 39XX, 4221 through 4225.
- 3. Oil and Gas/Mining Facilities: Facilities classified as SICs 10XX through 14XX, including active or inactive mining operations (some exceptions apply; for more info visit [https://www.waterboards.ca.gov/water\\_issues/programs/stormwater/industrial.html](https://www.waterboards.ca.gov/water_issues/programs/stormwater/industrial.html))
- 4. Hazardous Waste Treatment, Storage, or Disposal Facilities: Hazardous waste treatment, storage, or disposal facilities, including any facility operating under interim status or a general permit under Subtitle C of the Federal Resource, Conservation, and Recovery Act.
- 5. Landfills, Land Application Sites, and Open Dumps: Landfills, land application sites, and open dumps that receive or have received industrial waste from any facility within any other category of this Attachment; including facilities subject to regulation under Subtitle D of the Federal Resource, Conservation, and Recovery Act, and facilities that have accepted wastes from construction activities (construction activities include any clearing, grading, or excavation that results in disturbance).
- 6. Recycling Facilities: Facilities involved in the recycling of materials, including metal scrapyards, battery reclaimers, salvage yards, and automobile junkyards, including but limited to those classified as Standard Industrial Classification 5015 and 5093.
- 7. Steam Electric Power Generating Facilities: Any facility that generates steam for electric power through the combustion of coal, oil, wood, etc.
- 8. Transportation Facilities: Facilities with SICs 40XX through 45XX (except 4221-25) and 5171 with vehicle maintenance shops, equipment cleaning operations, or airport deicing operations. Only those portions of the facility involved in vehicle maintenance (including vehicle rehabilitation, mechanical repairs, painting, fueling, and lubrication) or other operations identified under this Permit as associated with industrial activity.
- 9. Sewage or Wastewater Treatment Works: Facilities used in the storage, treatment, recycling, and reclamation of municipal or domestic sewage, including land dedicated to the disposal of sewage sludge, that are located within the confines of the facility, with a design flow of one million gallons per day or more, or required to have an approved pretreatment program under 40 Code of Federal Regulations part 403. Not included are farm lands, domestic gardens, or lands used for sludge management where sludge is beneficially reused and are not physically located in the confines of the facility, or areas that are in compliance with Section 405 of the Clean Water Act.
- None of the above; my business is not subject to coverage under the NPDES Permit.

## ATTACHMENT A

### FACILITIES COVERED BY NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) GENERAL PERMIT FOR STORM WATER DISCHARGES ASSOCIATED WITH INDUSTRIAL ACTIVITIES (GENERAL PERMIT)

1. Facilities Subject To Storm Water Effluent Limitations Guidelines, New Source Performance Standards, or Toxic Pollutant Effluent Standards Found in 40 Code of Federal Regulations, Chapter I, Subchapter N (Subchapter N):

Cement Manufacturing (40 C.F.R. Part 411); Feedlots (40 C.F.R. Part 412); Fertilizer Manufacturing (40 C.F.R. Part 418); Petroleum Refining (40 C.F.R. Part 419), Phosphate Manufacturing (40 C.F.R. Part 422), Steam Electric (40 C.F.R. Part 423), Coal Mining (40 C.F.R. Part 434), Mineral Mining and Processing (40 C.F.R. Part 436), Ore Mining and Dressing (40 C.F.R. Part 440), Asphalt Emulsion (40 C.F.R. Part 443), Landfills (40 C.F.R. Part 445), and Airport Deicing (40 C.F.R. Part 449).

2. Manufacturing Facilities:

Facilities with Standard Industrial Classifications (SICs) 20XX through 39XX, 4221 through 4225. (This category combines categories 2 and 10 of the previous general permit.)

3. Oil and Gas/Mining Facilities:

Facilities classified as SICs 10XX through 14XX, including active or inactive mining operations (except for areas of coal mining operations no longer meeting the definition of a reclamation area under 40 Code of Federal Regulations. 434.11(1) because the performance bond issued to the facility by the appropriate Surface Mining Control and Reclamation Acts authority has been released, or except for areas of non-coal mining operations which have been released from applicable State or Federal reclamation requirements after December 17, 1990) and oil and gas exploration, production, processing, or treatment operations, or transmission facilities that discharge storm water contaminated by contact with or that has come into contact with any overburden, raw material, intermediate products, finished products, by-products, or waste products located on the site of such operations. Inactive mining operations are mining sites that are not being actively mined, but which have an identifiable owner/operator. Inactive mining sites do not include sites where mining claims are being maintained prior to disturbances associated with the extraction, beneficiation, or processing of mined material; or sites where minimal activities are undertaken for the sole purpose of maintaining a mining claim.

4. Hazardous Waste Treatment, Storage, or Disposal Facilities:

Hazardous waste treatment, storage, or disposal facilities, including any facility operating under interim

status or a general permit under Subtitle C of the Federal Resource, Conservation, and Recovery Act.

5. Landfills, Land Application Sites, and Open Dumps:

Landfills, land application sites, and open dumps that receive or have received industrial waste from any facility within any other category of this Attachment; including facilities subject to regulation under Subtitle D of the Federal Resource, Conservation, and Recovery Act, and facilities that have accepted wastes from construction activities (construction activities include any clearing, grading, or excavation that results in disturbance).

6. Recycling Facilities:

Facilities involved in the recycling of materials, including metal scrapyards, battery reclaimers, salvage yards, and automobile junkyards, including but limited to those classified as Standard Industrial Classification 5015 and 5093.

7. Steam Electric Power Generating Facilities:

Any facility that generates steam for electric power through the combustion of coal, oil, wood, etc.

8. Transportation Facilities:

Facilities with SICs 40XX through 45XX (except 4221-25) and 5171 with vehicle maintenance shops, equipment cleaning operations, or airport deicing operations. Only those portions of the facility involved in vehicle maintenance (including vehicle rehabilitation, mechanical repairs, painting, fueling, and lubrication) or other operations identified under this Permit as associated with industrial activity.

9. Sewage or Wastewater Treatment Works:

Facilities used in the storage, treatment, recycling, and reclamation of municipal or domestic sewage, including land dedicated to the disposal of sewage sludge, that are located within the confines of the facility, with a design flow of one million gallons per day or more, or required to have an approved pretreatment program under 40 Code of Federal Regulations part 403. Not included are farm lands, domestic gardens, or lands used for sludge management where sludge is beneficially reused and are not physically located in the confines of the facility, or areas that are in compliance with Section 405 of the Clean Water Act.

## Common SIC codes

The tables below list common SICs. **They do not list all SICs.** Go to OSHA's website for the complete list of 4 digit SICs: [www.osha.gov/pls/imis/sic\\_manual.html](http://www.osha.gov/pls/imis/sic_manual.html)

Manufacturing	2011 to 3999																																																
Food and beverage manufacturing or processing	2011 to 2099																																																
Apparel (clothing) production and fabrication	2311 to 2399																																																
Lumber and wood products manufacturing	2411 to 2499																																																
Furniture manufacturing	2511 to 2599																																																
Paper and allied products manufacturing	2611 to 2679																																																
Printing, publishing, and allied industries	2711 to 2796																																																
Commercial printing, lithographic	2752																																																
Chemicals and allied products	2812 to 2899																																																
Petroleum refining	2911 to 2999																																																
Rubber and plastic product manufacturing	3011 to 3089																																																
Plastic molding	3089																																																
Stone, clay, glass, and concrete manufacturing	3211 to 3299																																																
Basic metal product manufacturing	3312 to 3399																																																
Fabricated metal products, except machinery and transport	3411 to 3499																																																
Fabricated structural metal manufacturing	3441																																																
Sheet metal work	3444																																																
Machinery and equipment manufacturing	3511 to 3599																																																
Machine shops	3599																																																
Electronic and electrical equipment manufacturing	3612 to 3699																																																
Manufacturing (continued)	2011 to 3999																																																
Transportation equipment manufacturing	3711 to 3799																																																
Measuring, analyzing, and controlling instruments manufacturing	3812 to 3873																																																
Miscellaneous manufacturing, not elsewhere classified	3999
