OBSERVATIONS:

Weather: Warm upper 70's to low 80's
 Manure and pesticide logs are current.

Due to Newcastle Virus quarantine, a perimeter inspection was conducted on 04/16/2020. Minimal flies were observed. Overgrown vegetation and some trash and debris was observed from the public right of way. A Notice of Violation was sent on 04/21/2020, to cut and remove all overgrown vegetation as well as removal of all trash and debris from the property.

RECOMMENDATIONS:

Property must abide by the Notice of Violation to cut and remove all overgrown vegetation and remove all trash and debris from the property. Continue the submission of manure removal logs.

ACTION TAKEN:

NONE
