Larva breeding on the ranch	X			
Emergency activities need to be implemented		YES		NO X

RANCH IS IN COMPLIANCE	YES X	NO
------------------------	-------	----

**OBSERVATIONS:**

Manure is being removed as per City removal plan. All chickens are currently located in the indoor coops, no outdoor chickens at this time but there has been mention of adding an outdoor cage free coop. The fly population was very light around the ranch and fly traps are in place. There is still overgrown vegetation in between coops and other areas of the ranch that need weed abated.

**RECOMMENDATIONS:**

Continue to have manure removed every 3 days or more if needed. Continue to remove the overgrown vegetation from the ranch.

**ACTION TAKEN:**

None at this time. Next inspection will be on July 1<sup>st</sup>.

Biosecurity Measures Taken      Yes X    No \_\_\_\_\_
