-------------------------------	-----	---	----

**OBSERVATIONS:**

New Chickens were brought in and additional coolers have been turned on which is creating additional water runoff. The water is slowly dripping over the concrete ditch causing very wet soil around the structures.

**RECOMMENDATIONS:**

Remove vegetation that is growing from the water runoff, and continue to redirect water into the concrete drainage channel and basins.

**ACTION TAKEN:**

Removing the vegetation, and building up the concrete drainage ditch.

Biosecurity Measures Taken      Yes   X      No
