------------------------	-----	---	----

### OBSERVATIONS:

Due to the quarantine issued by the United States Department of Agriculture and the California Department of Food and Agriculture on site inspections are not allowed. Off site inspections have been done as well as communication with owner who states that there are only 40 birds on the ranch and they are free range which requires no manure removal. No issues have been noted.

### RECOMMENDATIONS:

None at this time.

### ACTION TAKEN:

None at this time

Biosecurity Measures Taken      Yes   x      No       

Inspected By:   P. Swantek
