

**CITY OF YUCAIPA
AGENDA REPORT**

TO: Honorable Mayor and City Council

FROM: *us* Raymond A. Casey, City Manager
mscfe 50 Sherrie M. O’Connell, Emergency Services Coordinator/Community Liaison

FOR: City Council Meeting of April 27, 2020

SUBJECT: Local Emergency Due to COVID-19

RECOMMENDATION:

That City Council receive and file a report from the Director of Disaster Services regarding the Local Emergency due to COVID-19.

BACKGROUND:

Governments worldwide are responding to an outbreak of respiratory disease caused by a novel (new) coronavirus that was first detected in China and which has now been detected in almost over 100 countries, including in the United States. The virus has been named “SARS-CoV-2” and the disease it causes has been named “Coronavirus Disease 2019” (abbreviated “COVID-19”).

COVID-19 is a disease that has killed over 81,865 people worldwide, with over 398,185 confirmed cases in the United States. On, March 10, 2020, the San Bernardino County Department of Public Health proclaimed a Public Health Emergency and the Board of Supervisors issued a Proclamation of Local Emergency due to COVID-19. On March 11, 2020, the World Health Organization declared the categorized disease as a global pandemic.

On Monday, March 16, 2020, the City Council held an Emergency Meeting to receive a status report regarding the COVID-19 Pandemic and directed staff to close the Scherer Community Center.

On Wednesday, March 18, 2020, the City Council held a second Emergency Meeting to adopted Resolution No. 2020-16, declaring a local emergency regarding the COVID-19 through April 6, 2020, and approved the closure of the Community Center, Performing Arts Center, as well as cancelling all park rentals, and modifying public access to City Hall until further notice.

On Monday, March 23, 2020, during regular session, City Council further approved closing fire stations and playgrounds/playground equipment at City parks until further notice, approved the Telecommuting Under the Pandemic Flu Policy for City employees, approved personnel policy revisions allowing sick time use consistent with the Families First Coronavirus Response Act (FFCRA), and approved the staggering of shifts for City employees, until further notice. City Council also approved extending the Emergency Declaration until Monday, April 13, 2020.

Pursuant to Yucaipa Municipal Code 8.36.160 and Section 8630 of the California Government Code, City Council shall review, at least every fourteen (14) days, until such local emergency is

terminated, the need for continuing the local emergency. However, with the State Emergency Declaration being extended in thirty (30) day increments, and given that the time between City Council meetings at times exceeds 14 days, staff is recommending that City Council waive the 14-day extension requirement for the remainder of the emergency. Such declaration facilitates the City's response to combat perilous conditions by providing limited immunity for emergency actions of public employees and governing bodies, authorizing the issuance of orders and regulations to protect life and property, and activating pre-established local emergency provisions such as special purchasing and contracting procedures.

In addition, the San Bernardino County Department of Public Health recently updated their orders to include the requirement to wear masks any time residents are outside their home, including essential workers, which includes City staff working at City Hall. The recent order also included closing all park parking lots in the County and conveying certain citation/arrest authority to local police departments/contract Sheriff's Department stations in the County of San Bernardino. Finally, the City has collaborated with local medical professionals, the County of San Bernardino, Crafton Hills College, and the San Bernardino County Department of Public Health in hosting a mobile testing site for the community.

An Economic Recovery Committee has been established through the SBCTA City Managers Technical Advisory Committee, made up of San Bernardino County Executive Staff members and a subcommittee of City Managers throughout the County. The purpose of the Committee is to begin planning for reopening the economy here in San Bernardino County at the appropriate time.

On April 17, 2020, the San Bernardino County Public Health Department released an "Order of the Health Officer of the County of San Bernardino for the Control of COVID-19", allowing cities more flexibility in the opening of trail heads and parks. As a result, the City opened the parking lots to the El Dorado Ranch Park, the Oak Glen Neighborhood Park, the Wildwood Basin and the Oak Glen Creek Basin.

EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA

Executive Order N-45-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency in California as a result of the threat of COVID-19; and

WHEREAS on March 17, 2020, I signed SB 117 (Chapter 3, Statutes of 2020), which ensures continuity of funding for state-subsidized child care providers impacted by the COVID-19 pandemic and authorizes the State Superintendent of Public Instruction to develop informal directives and bulletins to address contractual, attendance, and reporting requirements applicable to these providers for the 2019-20 fiscal year; and

WHEREAS child care is essential for working families, and in particular, for low-income and other parents who are considered essential critical infrastructure workers during this emergency, including health care workers; emergency response personnel; key governmental staff; law enforcement; food and agriculture workers, including grocery workers; and education and care providers; and

WHEREAS the COVID-19 emergency has created an increased need for child care for families who may not have previously needed child care, or who may now require additional hours of child care; and

WHEREAS the federal government has provided additional flexibility to the states for the use of funding provided by the Child Care and Development Fund; and

WHEREAS there is a temporary need for administrative flexibility for child care programs, to reduce barriers to care while ensuring the health and well-being of children, families, and providers; and

WHEREAS the federal government has provided flexibility to the data-sharing allowances for State educational agencies and school food authorities administering school lunch programs under the Richard B. Russell National School Lunch Act to release information necessary to administer the Pandemic Supplemental Nutrition Assistance Program (SNAP); and

WHEREAS the COVID-19 pandemic and related physical distancing requirements have impacted governmental agencies' ability to adhere to certain statutory deadlines; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567 and 8571, do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

1. In order to facilitate the continued provision of child care during the COVID-19 outbreak, any provision in Articles 1 through 11, 12, 15.5 through 18, 20, and 21 of Chapter 2 of Part 6 of Division 1 of the Education Code and implementing regulations in Chapter 19 and 19.5 of Division 1 of Title 5, California Code of Regulations, that restricts a child care and development program impacted by COVID-19 from serving children of essential critical infrastructure workers, defined consistent with Executive Order N-33-20 and as described in the document posted at <https://covid19.ca.gov/img/EssentialCriticalInfrastructureWorkers.pdf>, is suspended for a period of 60 days, provided that services are provided consistent with an informal directive or bulletin issued by the State Superintendent of Public Instruction pursuant to SB 117 (Chapter 3, Statutes of 2020) and that costs associated with all services provided pursuant to the informal directive or bulletin are within the budget authority of the California Department of Education.
2. In order to ensure that essential critical infrastructure workers can obtain necessary child care to continue working to assist the State's response to COVID-19, the eligibility requirements in Education Code section 8263(a) and any accompanying regulations and the enrollment priorities in Education Code section 8263(b)(2) and (3) are waived with respect to non-CalWORKS early learning and care services provided to children of essential critical infrastructure workers, defined consistent with Executive Order N-33-20 and as described in the document posted at <https://covid19.ca.gov/img/EssentialCriticalInfrastructureWorkers.pdf>.
3. The California Department of Education and the California Department of Social Services shall, by April 7, 2020, jointly develop and issue guidance on prioritizing enrollment for children of essential critical infrastructure workers, as authorized by Paragraph 2. This guidance shall include, but need not be limited to, provisions intended to ensure that neglected or abused children who are recipients of child protective services, or children who are at risk of being neglected or abused, retain first priority for services as specified in Education Code section 8263(b)(1).
4. The California Department of Education and the California Department of Social Services shall, by April 7, 2020, jointly develop and issue guidance on group size, physical distancing, food safety, and other healthy practices in child care settings that reflects the best practices contained in current guidance from federal, state, and local public health officials related to COVID-19.

5. The requirements in Education Code section 8273 and any accompanying regulations or other written policies or procedures related to assessment of fees for families using preschool and child care and development services pursuant to Chapter 2 of Part 6 of Division 1 of the Education Code are suspended for a period of 60 days.
6. Any provision in Article 22.5 of Chapter 2 of Part 6 of Division 1 of the Education Code and any accompanying regulations related to the After School Education and Safety Program that restricts a program funded pursuant to that Article from operating during the hours that school is ordinarily in session while a school is closed to address COVID-19 or from serving school-age children of essential critical infrastructure workers, defined consistent with Executive Order N-33-20 and as described in the document posted at <https://covid19.ca.gov/img/EssentialCriticalInfrastructureWorkers.pdf>, is suspended for a period of 60 days. The California Department of Education may waive any of the reporting, auditing, or other requirements specified in Education Code section 8482.3(f) for the period covered by this suspension.
7. To the extent that any provision in Article 22.6 of Chapter 2 of Part 6 of Division 1 of the Education Code and any accompanying regulations related to 21st Century Community Learning Centers grant includes requirements beyond the requirements imposed by federal statutes or regulations, those requirements are suspended for a period of 60 days.
8. The calculations applicable to calendar year 2019 required by Education Code sections 8483.7(a)(1)(C) and 8483.7(a)(1)(D) for recipients of the After School Education and Safety grant are suspended.
9. The calculations applicable to calendar year 2019 required by Education Code section 8426(d)(2) and (3) for recipients of the 21st Century High School After School and Enrichment for Teens (ASSETS) are suspended, to the extent such suspension is consistent with applicable federal statutes and regulations (including, but not limited to, any applicable federal statutes or regulations with which compliance is required as a condition for the receipt of federal funds).
10. In order to allow California to take advantage of flexibility provided under Public Law 116-127 to provide Pandemic SNAP benefits to children, Education Code sections 49076, 49558 and 49557.3 and any accompanying regulations are waived for the limited purpose of authorizing the sharing of data between the California Department of Social Services and the California Department of Education to identify students who may be eligible for the Pandemic SNAP benefit.
11. The California Department of Social Services may, for the next 60 days and in consultation with the California Department of Education, waive any of the licensing, contractual, and payment requirements specified in Education Code section 8351 and any accompanying regulations, or other written policies or procedures related to CalWORKs Stage One Child Care; in Welfare and Institutions Code

section 11461.6 and any accompanying regulations, or other written policies or procedures related to the Emergency Child Care Bridge for Foster Children; and in Chapter 3.35 of Division 2 of the Health and Safety Code and any accompanying regulations, or other written policies or procedures related to Child Care Provider Registration.

12. The deadline specified in Water Code section 85200(d) for an appointing authority to fill a vacancy on the Delta Stewardship Council is extended for a period of 60 days.

IT IS FURTHER ORDERED that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 4th day of April 2020.

Public Health officer orders face covering, electronic-only religious services

In an effort to protect the public from further spread of COVID-19, the County’s Acting Health Officer has formally ordered everyone in San Bernardino County to wear a face covering when leaving home.

Face coverings may include coverings that secure to the ears or back of the head and encompass the mouth and nose. Homemade cloth ear loop covers, bandannas and handkerchiefs, and neck gaiters may be used to reduce the spread of COVID-19 particularly among asymptomatic people. Surgical masks and N95 masks must be preserved for healthcare workers and emergency responders.

“Staying home, practicing social distancing and frequent handwashing are far more effective ways to combat the spread of COVID-19, and face coverings are not a substitute for those practices,” said Dr. Erin Gustafson, the County’s Acting Public Health Officer.

Tuesday’s order also says faith-based services must be electronic only through streaming or online technology. People may not leave their homes for driving parades or drive-up services or to pick up non-essential items such as pre-packaged Easter eggs or bags filled with candy and toys at a drive-thru location.

“We understand that this is an important time for Christians around the world and it is natural to want to worship and celebrate with our families. Right now, however, is a critical time for our country and our community – we can still celebrate this time from the safety of our individual homes while we help flatten the curve and save lives,” said Board of Supervisors Chairman Curt Hagman. “When we stay home we help our healthcare workers and our emergency responders and vulnerable populations beat COVID-19.”

Many churches and houses of worship are hosting “virtual” services, streamed online. The County encourages single-family, home-based worshipping and activities, including Easter egg hunts among household members inside the house or in residential back yards.

As of today, San Bernardino County has 530 confirmed cases of COVID-19 and the deaths of 16 county residents have been associated with the disease.

The Acting Health Officer’s order may be viewed [here](#). Violation of the order is a crime punishable by up to a \$1,000 fine or imprisonment up to 90 days, or both.

ORDER OF THE HEALTH OFFICER OF THE COUNTY OF SAN BERNARDINO

FOR THE CONTROL OF COVID-19

DATE OF ORDER: April 7, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295; County Code Section 31.0101 Et. Seq.)

UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, TITLE 17 CALIFORNIA CODE OF REGULATIONS SECTION 2501, AND SAN BERNARDINO COUNTY CODE SECTION 31.0101 ET. SEQ., THE HEALTH OFFICER OF THE COUNTY OF SAN BERNARDINO ("HEALTH OFFICER") ORDERS:

Effective 12:00 a.m. on Wednesday, April 8, 2020, and continuing until rescinded, pending further Order of the Public Health Officer, the following will be in effect for the County of San Bernardino (hereinafter the "County"):

1. The Orders of the San Bernardino County Health Officer issued on March 17, 2020 and March 27, 2020, Governor Newsom's Executive Order N-22-20 and order of the California State Public Health Officer issued on March 19, 2020, requiring all persons residing in the State to remain in their homes or places of residence, except as needed to maintain the continuity of operations for critical infrastructure (the "Stay-at-Home Order") remain in effect until the Governor's Executive Order N-22-20, and the Orders of the San Bernardino County Health Officer remain in effect until they are rescinded.
2. Under the Orders of the San Bernardino County Health Officer, the California State Public Health Officer, and Governor Newsom's Executive Order N-22-20, all individuals living in the State of California are ordered to stay home or at their place of residence except as need to maintain continuity of operations of the federal critical infrastructure sectors, as outlined at <https://covid19.ca.gov/img/EssentialCriticalInfrastructureWorkers.pdf>. This guidance does allow faith based services that are provided through streaming or other technology, while individuals remain in their homes, but does not allow individuals to leave their homes for driving parades or drive-up services, or for picking up non-essential items.

3. All non-essential businesses that do not fall under the Essential Critical Infrastructure referenced above are ordered to remain closed. All essential businesses that remain in operation in accordance with the above referenced Orders of the San Bernardino County Health Officer, the Order of the California State Public Health Officer, and Governor Newsom's Executive Order N-22-20, shall follow the Social Distancing and Infection Control Guidelines published by the CDC and California Department of Public Health. All essential businesses must ensure all required measures are implemented and must identify and require measures necessary to implement social distancing and sanitation at that particular facility. If the measures identified and implemented are not effective in maintaining proper social distancing and sanitation, additional measures shall be identified and implemented or the facility shall be closed.
4. All persons, including Essential Workers shall wear face coverings, such as scarves (dense fabric, without holes), bandanas, neck gaiters, or other fabric face coverings, when they leave their homes or places of residence for essential activities. All persons, including non-medical Essential Workers are discouraged from using Personal Protective Equipment (PPE), such as N95 masks, for non-medical reasons. Staff working at facilities listed in Attachment A at <http://wp.sbcounty.gov/dph/wp-content/uploads/sites/7/2020/04/Attachment-A-and-B.pdf> must follow the Order of the San Bernardino County Public Health Officer issued on April 6, 2020, requiring staff at these facilities to wear a surgical mask at all times while in the facility.
5. All essential businesses shall make every effort to use telecommuting for its workforce.
6. Government entities shall enforce social distancing requirements at all parks and trails. If a government entity is unable to enforce social distancing at a park or trail, it shall be closed to the public. Parking lots at all parks and/or trails shall be closed and shall be accessible only by members of the public within walking distance of the parks and/or trails. Said parks and/or trails shall be used solely for walking, hiking, equestrian or bicycle riding. The public shall not congregate or participate in group sporting activities at such parks and/or trails.
7. A strong recommendation is made that all persons who are 65 years old or older, have a chronic underlying condition, or have a compromised immune system self-quarantine themselves at home.
8. Hospitals and healthcare providers shall take measures to preserve and prioritize resources including delaying non-emergent or elective surgeries or procedures where feasible.
9. All persons arriving in the county from international locations identified on the Centers for Disease Control and Prevention (CDC) Warning Level 2 or 3 Travel Advisory (available at: <https://www.cdc.gov/travel/notifications>) shall be subject to 14-day home quarantine, self-monitoring.
10. A strong recommendation is made for persons exhibiting mild to moderate symptoms of COVID-19 to self-isolate in their place of residence unless seeking medical treatment. A guide to symptoms is found here: <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>.
11. This Order is issued based on evidence of increasing transmission of COVID-19 within the County, in the state of California, and worldwide, scientific evidence regarding the most effective approach to slow transmission of communicable diseases generally and COVID-19 specifically, as well as

best practices as currently known and available to protect the public from the risk of spread of or exposure to COVID-19. The virus that causes COVID-19 (known as SARS-CoV2) has infected over one million individuals worldwide in over 180 countries and is implicated in over 76,000 worldwide deaths, including at least 530 cases and 16 deaths in San Bernardino County. These numbers increase significantly every day.

12. This Order is intended to reduce the likelihood of exposure to COVID-19, thereby slowing the spread of COVID-19 in communities worldwide. This Order will help to reduce the number of Californians who contract COVID-19 before an effective treatment or vaccine is available; protect those most likely to experience severe symptoms, such as older Californians and those with underlying chronic conditions; preserve and protect our healthcare delivery system; and minimize the social and economic impacts of COVID-19 over the long run.
13. This Order is issued in accordance with, and incorporates by reference, the: March 4, 2020 Proclamation of a State Emergency issued by Governor Gavin Newsom; the March 10, 2020 Declaration of Local Health Emergency based on an imminent and proximate threat to public health from the introduction of novel COVID-19 in San Bernardino County; the March 10, 2020 Resolution of the Board of Supervisors of the County of San Bernardino proclaiming the existence of a Local Emergency in the County of San Bernardino regarding COVID-19; the March 10, 2020 Resolution of the Board of Supervisors of the County of San Bernardino ratifying and extending the Declaration of Local Health Emergency due to COVID-19; and Executive Order N-22-20 of the Governor of California and Order of the State Public Health Officer issued on March 19, 2020.
14. This Order comes after the release of substantial guidance from the Health Officer, the California Department of Public Health, the Centers for Disease Control and Prevention, and other public health officials throughout the United States and around the world, including but not limited to, the Centers for Disease Control and Prevention's "Interim Additional Guidance for Infection Prevention and Control for Patients with Suspected or Confirmed COVID-19 in Nursing Homes", the California Department of Public Health Face Covering Guidance issued on April 1, 2020, and Recommendation Regarding the Use of Cloth Face Coverings from the Centers from Disease Control and Prevention issued on April 3, 2020.
15. This Order is made in accordance with all applicable State and Federal laws, including but not limited to: Health and Safety Code sections 101030, et seq.; Health and Safety Code sections 120100, et seq.; and Title 17 of the California Code of Regulations section 2501.
16. This Order shall not supersede any conflicting or more restrictive orders issued by the State of California or Federal governments, including any requirements regarding child care. If any portion of this Order or the application thereof to any person or circumstance is held to be invalid the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.
17. To the extent necessary, pursuant to Government Code sections 26602 and 41601 and Health and Safety Code section 101029, this order is enforceable by the Sheriff and all Chiefs of Police in the County. The violation of any provision of this Order constitutes an imminent threat to public health.

Copies of this Order shall promptly be: (1) made available at the County of San Bernardino Health Administration office located at 351 N. Mountain View Ave., #303, San Bernardino, CA 92415; (2) posted on the County of San Bernardino Public Health Department's website (www.sanbernardino.gov); and (3) provided to any member of the public requesting a copy of this Order.

FOR THE CONTROL OF COVID-19

DATE OF ORDER: April 17, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295; County Code Section 31.0101 Et. Seq.)

UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, TITLE 17 CALIFORNIA CODE OF REGULATIONS SECTION 2501, AND SAN BERNARDINO COUNTY CODE SECTION 31.0101 ET. SEQ., THE HEALTH OFFICER OF THE COUNTY OF SAN BERNARDINO (“HEALTH OFFICER”) ORDERS:

Effective 12:00 a.m. on Saturday, April 18, 2020, and continuing until rescinded, pending further Order of the Health Officer, the following Order will be in effect for the County of San Bernardino (hereinafter the “County”) and consolidates and supersedes all previous COVID-19-related Orders from the Health Officer except for the Order issued on April 6, 2020, titled, “Requirements for All Individuals Entering Certain Licensed Facilities and Other Agencies Who Are Not A Patient, Existing Resident or New Resident”.

1. **Governor’s Order and Term of Orders.** Governor Newsom’s Executive Order N-33-20, including the Order of the California State Public Health Officer issued on March 19, 2020, requires all individuals living in the State of California to stay home or at their place of residence, except as needed to maintain the continuity of operations of the federal Essential Critical Infrastructure Sectors that are defined at <https://covid19.ca.gov/img/EssentialCriticalInfrastructureWorkers.pdf>. All businesses, services, facilities or organizations (businesses) that fall under the Essential Critical Infrastructure Sectors referenced above are Essential businesses. All businesses, services, facilities or organizations that do not fall under the Essential Critical Infrastructure Sectors referenced above are non-Essential and are to remain closed. The Governor’s Executive Order N-33-20 shall remain in effect until rescinded.
2. **Essential Businesses.** Essential businesses that remain in operation shall follow social distancing and infection control guidelines published by the Centers for Disease Control and Prevention (CDC) and the California Department of Public Health (CDPH). Businesses shall identify and

implement required measures for social distancing and infection control in each of their facilities. If the measures identified and implemented are not effective in maintaining proper social distancing and infection control, additional measures shall be identified and implemented or the facility shall be closed.

3. **Public or Private Gatherings.** Public or private Gatherings, as defined, are hereby prohibited in the County. A “Gathering” is defined as any event or convening that brings or is likely to bring together two or more people from more than one household or living unit in a single room or space at the same time, such as an auditorium, stadium, arena, room, hall, or any other indoor or outdoor space used for non-Essential purposes. This includes Gatherings at private residences of people who do not live at that residence. This Order does not apply to homeless encampments or Gatherings required for the Essential businesses referenced in Section 1 above.
4. **Public Recreational Activities.** Jurisdictions with public recreational locations such as parks, trails, beaches, lakes and rivers should monitor usage and parking on a regular basis. If usage of a public recreational location results in a failure to comply with social distancing, the responsible jurisdiction should take steps, where feasible, to reduce usage to achieve social distancing. Such steps could include, but are not limited to, closing parking lots, closing the location, or any other reasonable steps to reduce public use. Public exercise and playground equipment should be cordoned off to isolate commonly-touched surfaces.
5. **Face Coverings.** All individuals in San Bernardino County shall wear face coverings over their nose and mouth, such as scarves (dense fabric, without holes), bandanas, neck gaiters, or other fabric face coverings when in public and when working in Essential businesses, when feasible. Face coverings and care of face coverings are described on the California Department of Public Health website at: <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/Face-Coverings-Guidance.aspx>.
 - a. An owner or operator of an Essential business described in Section 1 of this Order may refuse admission or service to any individual who fails to wear a face covering as required by this Order.
 - b. A face covering is not required for drivers traveling alone or with members of their households, unless they must lower their windows to interact with first responders, food service workers, or others who are not members of their households.
 - c. A face covering is not required for solitary outdoor exercise/activity or for members of the same household engaging in outdoor exercise/activity. If others are present, regardless of social distancing, a face covering is required.
6. **Staffing at Certain Licensed Facilities.** Staff working at certain licensed facilities and other agencies listed in Attachment A at <http://wp.sbcounty.gov/dph/wp-content/uploads/sites/7/2020/04/Attachment-A-and-B.pdf> shall follow the Order of the Health Officer issued on April 6, 2020, pertaining to:
